Work Experience

Video Producer / Co-Owner, XIX A.D Productions – San Francisco

January 2009 - present

Manage overall production process for independent *video production company*. Responsible for directing and editing projects for music videos, commercials, business videos, documentaries and sports coverage.

Production Assistant, Reel Eagle Studios – San Jose

January 2011 – July 2013

Managed online marketing, web pages and social media sites for media production firm. Designed, built and broke down sets for video and photography shoots as well as maintained a clean studio space. Provided post-production services including photo retouching and video editing. Acted as Assistant Director on projects: kept detailed notes on every shot, coordinated actors, took over directing responsibilities and performed other duties as needed by the Director.

Assistant Producer, Spiral Moon Media – Mountain View

2013

Expanded business opportunities by attaining more clients for the company. Made initial contact with potential clients and acted as a liaison between clients and management. Met with potential clients to discuss ideas and ways our business could benefit them. Provided general insight on marketing initiatives and managed company websites.
